

INTRODUCTION

For many residents, community living is a new way of life. Each owner's use of his/her own unit as well as outside facilities must not conflict with the rights of other owners. Therefore, certain standards for individual behavior are necessary to insure pleasant and harmonious community living.

It is the desire of the Watergate Community Association (WCA) Board of Directors to serve the best interests of all residents.

It is the duty of owners to inform their guests and/or tenants of these rules.

Persons of all ages are welcome and permitted to use all of the common areas and recreational facilities at Watergate in accordance with the published rules governing their usage. Watergate has adopted certain restrictions on the use of recreational facilities by persons under 14 years of age for health and safety reasons. These health and safety restrictions are minimum standards and are not intended to operate as a substitute for safe and proper usage or parental supervision regarding the use of common areas or recreational facilities. WCA expressly disclaims liability for any injury or damage caused by negligence, misuse of, or lack of appropriate supervision regarding the use of the common areas or recreational facilities.

The Board of Directors has designated certain WCA common areas as a non-smoking environment. Smoking is prohibited in all elevators, lobbies, hallways, stairwells, indoor recreational facilities, and at or in all outdoor recreational areas except a designated section of the Clipper Club pool.

All rules will be strictly enforced by WCA personnel. Continued violation and disregard of the rules by an individual will be referred to the Board of Directors for procedure against the individual, as specified in the Revised Declaration (5.4).

Please note that the enclosed rules do not include the restrictions on use of property that are set forth in the Revised Declaration dated March 9, 1988.

Complete directions for a dispute involving enforcement of an Association's governing documents are located in the California Civil Code (section 1354)–Alternative Dispute Resolution (ADR). Copies of this section are available at the WCA office. Parties to a dispute are encouraged, or in some cases required, to attempt ADR (Arbitration or Mediation) before filing suit. Copies of the Request for Resolution, which must be served on the other party to initiate the process, are also available at the WCA office.

WCA recognizes its duty to comply with legal requirements of the Federal Fair Housing Act, and to follow requirements of the Americans with Disabilities Act (ADA) as they pertain to commercial uses at the complex. WCA intends to enforce the rules in this Rule Book in such a way as to comply with all statutory requirements, and, where necessary, to modify enforcement to allow appropriate accommodations for those with disabilities. If a resident believes that enforcement of a rule must be modified to accommodate his/her disability, the resident should put the request in writing; should explain the requested accommodation and why it is needed; and should submit the request for discussion by the Board of Directors.

The Watergate buildings were constructed prior to the enactment of the ADA and complied with legal requirements at the time they were constructed. The law does not require extensive renovations to make the buildings accessible to those with disabilities. However, WCA has made various modifications that are "readily achievable," as defined in the statute and in the regulations, which are intended to accommodate the needs of disabled persons.

COMMUNITY RULES

1. All residents must register at the WCA office. There is a Community Association processing fee applicable to both renters and new owners to cover the cost of processing as well as move-in/move-out costs. This applies to any resident who relocates from one unit to another. The fee is paid at the WCA office.
2. The move-in and move-out procedures are to be observed by residents and their movers. (See page xx.)
3. Owners are responsible for any damage to or defacing of property which they, their guests or tenants, or tenants' guests may have caused. Owners are also responsible for informing guests and tenants of all rules.
4. Residents shall not cause any loud noise or play or permit to be played any sound-emitting source (e.g., radio, TV, stereo, wind chimes, etc.) in units, common area, or exclusive-use common area in a manner that is unreasonable or that violates Quiet Hours. Noise violations may include alarm systems, faulty mufflers, door slamming, etc.
5. Owners relinquish all recreational privileges when their unit is rented or leased. Upon leasing or renting a unit, an owner must surrender that unit's Watergate I.D. card to the WCA office. Use of the recreational facilities by such non-resident owners is permitted only if a resident of Watergate obtains a guest pass for the non-resident owner as a guest.
6. A non-resident owner who rents or leases a unit to another party and uses a Watergate I.D. card to use the facilities will have that Watergate I.D. card confiscated.
7. WCA prohibits all forms of commercial solicitation on the premises, including all peddling and door-to-door sales of products and services. The purpose of the rule is to protect members' privacy and to avoid overburdening the custodial staff with the need to clean up flyers and other written materials. However, WCA recognizes the First Amendment protection for political speech. Therefore, candidates for political office, canvassers for candidates for political office, and candidates for ballot propositions and referendums may have access to the premises for campaigning purposes between the hours of 9:00 a.m. and 9:00 p.m., as long as they conduct themselves in a manner that does not unreasonably annoy or harass the residents. Delivery of paid newspaper subscriptions, community materials, and Association materials is permitted, if the agent and delivery person are registered with the Security office.
8. The Association will not be responsible for any articles delivered to or left with any employee. Furthermore, the Association will not be responsible for any

- articles intended for delivery to a resident which are delivered or left in any corridor or public place. No bailment is expressed or implied in such instances.
9. Notices shall be posted only in those areas approved by the Association. The Health Club and the laundry rooms have bulletin boards for personal ads. See “LAUNDRY” on page xx for specifications.
 10. Hallway lighting is part of the common area. Replacement of bulbs is the responsibility of the Association. Residents are not permitted to remove bulbs except when a burned-out bulb creates a lack of lighting that constitutes a safety hazard.

 12. Feeding wild or stray animals (such as birds, geese, squirrels, feral cats, and raccoons) is prohibited.

 18. Barbecues are allowed only when not causing an unreasonable nuisance to neighbors. Barbecues must be supervised and not cause a fire hazard. Lighter fluid, self-starting briquettes, fire starters, and charcoal impregnated with liquid fire starters are not allowed. A fire extinguisher must be available in case of emergency.

If permission is given for them to continue to play, they should do so in 2 to 4 points. Longer play would infringe on the time reserved by those waiting.
 - c. Players who grant extensions to those on the court should remain outside the court to wait for Court 1, or sit quietly on the bench at the far courts when waiting for Court 2 or 4.
 - d. When crossing courts, do so quickly and quietly. If a game is in progress, wait until the point is ended. If a tournament is being played, cross only after the game in progress has ended. Reduce distraction to players by crossing as a group if more than one person is involved.
